

Grimsby Town Centre Area Action Plan

- Details** Knight Frank provides town planning advice as part of a wider Project Team to North East Lincolnshire Council in terms of preparing an Area Action Plan (AAP) for Grimsby Town Centre. The AAP includes three key quarters and the key objective is to deliver a programme of regeneration.
- Instruction** To provide planning and development advice to the Project Team and North East Lincolnshire Council in relation to planning policy opportunities and constraint and feeding this into the emerging AAP.
- Comment** Knight Frank has worked as part of the Project Team to gather base line information with particular focus on planning policy at all spatial level development across the town centre. Knight Frank is currently advising on the various options for the AAP.
