

Aberdeen Gateway, Aberdeen

- Details** Aberdeen Gateway comprises a 70 acre high quality business park located just off the A90 on the south side of Aberdeen, with up to 18.21 hectares (45 acres) which can be developed. An indicative masterplan outlines the proposed office park and business phases.
- Instruction** Knight Frank has been instructed to submit and manage the Reserved Matters planning application for the site.
- Client** Aberdeen Gateway is a Joint Venture between Stockland and Muir Group.
- Comment** In light of Knight Frank's success in securing the detailed infrastructure and headquarters consent the planning team has been retained to submit forthcoming planning applications as end users are signed up. The project has phased completion targets between 2009 and 2014.
- Knight Frank enjoys a good working relationship with Stockland and Muir Group and is well positioned to build on this.
