

SERVICE THAT IS SECOND TO NONE.

Knight Frank

... thank you for the exemplary and highly professional manner in which you have conducted the sale of our house. Richard Robinson gave you the accolade of the “last word in English country houses” and so it has proved to be. I also wanted to congratulate you on your team. “Sheila of Knight Frank” is a gem and Tessa is equally efficient and delightful. We are most grateful to you for making the whole affair a relatively painless and stress free process.

We appointed Knight Frank in Cirencester for the sale of our property in South Cerney. From the outset we were offered very sound advice. Their marketing strategy was excellent, and it is down to their professional approach that we were able to sell the property within just four months in a very turbulent market. We would be very happy to recommend them to anyone wishing to sell their house.

I want to thank you for all your superb efforts on our behalf. Times are difficult as we all know, particularly in the real estate business, and we were so very pleased with the co-operation and ultimate success that we received from you and the Knight Frank team. The emails from you at 7:00 in the morning and 8:30 at night impressed us particularly! Thank you.

Thank you for your help throughout the process.... I'm absolutely delighted with your service, really pulling out the stops when it mattered with an impressive pr and marketing plan that created so much interest!

Well done' to you, with your 'soopa' friendly, clear negotiating manner, and of course, never forgetting this efficient 'comforting' team.

We heard from our solicitor that exchange took place earlier this afternoon. Thank you for a fantastic effort in a very difficult market.

Congratulations on the completion. It was no easy job and you did a marvellous intervention. Thank you on behalf of the company.
