

# SERVICE THAT IS SECOND TO NONE.

**Knight Frank**

I was highly impressed by the efficient and speedy manner in which KF sold my parents' house in a very difficult market. They were efficient, easy to contact, easy to relate to and creative in their attempts to find a buyer, which they did in an amazingly short time. **Mrs H Menzies**

We were delighted when Knight Frank quickly contacted several potential clients who were looking for the kind of property we had to sell. In this way we swiftly sold our property. Knight Frank's staff were efficient and courteous throughout. **Dr & Mrs Gray**

In this time of economic downturn, my husband and I are really pleased to have benefited from the expertise of Knight Frank in effecting the sale of Woodhall House. We appreciated, in particular, the professionalism and courtesy of Matthew Munro and his assistant Paddy Paton who successfully liaised, with the purchaser, on our behalf. **Mr & Mrs Forsyth**

Penny and I were particularly impressed at the business approach, market knowledge and professionalism of you and your staff. We were also pleasantly surprised to receive a Report from Paddy so soon after our meeting. In the event that we ever have the need for property services in Edinburgh we would be delighted to use your Company. We will also recommend your firm to our friends. **Robert & Penny Donaldson**
