Thank you so much for all your help and support while selling 8 Chatford House. We could not have been in better hands. Thanks again. **Masoona & Peter Gourd**

We would like to thank you for your great help and support in selling Chew Stoke Rectory in such a tricky market. It was very reassuring to know that we were in such efficient and competent hands and are delighted that the sale has now gone through. **Penny Cooke**

From our very first meeting, we were impressed by Rupert's (Knight Frank) professionalism, in-depth market knowledge and marketing strategy which stood head and shoulders above the other agents. He gave us a clear plan of how he was going to sell our house and then went on to do exactly that, within four weeks, and at above the asking price. We cannot recommend Rupert and Knight Frank highly enough. **Mr & Mrs Henderson**

Knight Frank have provided us with an excellent service, providing realistic advice at the outset, a friendly attitude, competent and knowledgeable staff and an efficient office. Most importantly, they have been successful in selling our house at very close to guide price in very difficult market conditions. We would certainly recommend them without hesitation. **Dick Wagstaffe**

Knight Frank marketed our home at a price that reflected both its uniqueness and our relaxed attitude towards how quickly it would sell. Selling it within five days at the asking price was proof of Knight Frank's ability to successfully access discerning and affluent buyers, even in tough market conditions. **Paul de Savary**
