James' opinion is often sought after in the local and national press. He has appeared on ITV and is regularly quoted in The Evening Standard and The Sunday Times.

Testimonial

"Dear James, I have been meaning to write to you to thank you for saving the day...Before we spoke to you I had advised the trust to pull out of the purchase but due to your intervention we are now happy with the buying of Langton Street. Bless you for making everything so pleasant and for constantly reassuring us about this investment."

R.P

“Now that the sale of The Vale has been completed, I want to take this opportunity to thank you and your staff for all your efforts in getting this exclusive, high-end property sold despite the current volatile housing market. We truly appreciated that you kept us informed as the selling process unfolded and that you made every effort to answer all of our questions so that we understood every aspect of the real estate market. Your professionalism and thoroughness during this process helped to alleviate our fears and anxieties of how to present this property and attract the right buyer. I want to commend you for a job well done. I know that it was quite the challenge to complete a sale on a property that offered unique and exquisite characteristics. However your expertise and talents brought this to a successful close.”
