Testimonial

"Following the recent sale of our flat on Courtfield Gardens with Knight Frank, I wanted to thank John Kennedy and in particular Lucy Holroyd for a great job on the sale. Lucy remained professional, responsive and was a real pleasure to deal with. Her commitment was commendable considering we had a few hiccups on the way (previous buyers pulled out two days before the exchange). Lucy was very quick to react and had found new buyers within a matter of days. We are very appreciative of the great effort."

ONE TEAM ONE GOAL

Knight Frank

“Lucy Holroyd was absolutely wonderful, thoughtful, intuitive, forward thinking. I would recommend Lucy and Knight Frank unreservedly. Happy client.”

E.J

“This is to say a big thank you to Knight Frank for the successful sale of my property. Right from the opening phone call with Phil I knew that I was in the best possible hands, being guided through every stage of the process, which turned out to be very speedy, right through to the sale and at a price significantly above my initial expectations. I have nothing but praise for Knight Frank’s professionalism and in particular for that displayed throughout by Nick Gaunt and Lucy Holroyd. I would most certainly mandate Knight Frank again for any future property transaction.”

K.W

“I know Mark has thanked you but to reinforce, we are thrilled with the new flat which is perfect as a base for us now and in the future. Thank you for your hard work! This thanks is so late but well meant! All the best.”

K.T

“Lucy: This is down to you. You’ve done an outstanding job for your client and we’re extremely grateful for all your hard work to get this through in the time frame achieved. From day one you’ve been attentive and considerate of what we were looking for - and patient in showing us a number of properties - and we really think you have done a fantastic and extremely professional job, of which you and Knight Frank should be proud. Many thanks and all the very best.”

M.R

“I will definitely come back to you. It was a pleasure working with you, and would not hesitate to come back should we proceed with another sale or purchase.”

R.M

“If it wasn’t for your positive attitude, persistence and patience we would have pulled the plug on the deal. As it was we were impressed that by instructing Knight Frank we were getting the whole of your network not just one office, something that we would not have got from your competitors.”

D.M

“Thank you very much indeed for all your help in getting the house sold! And a special thanks to Lucy for coming up with the winning offer.”
