## **Career**

Knight Frank 2007

Nick joined the Chelsea sales team a few months after the office opened in 2007 and has since been achieving excellent prices for his clients in the SW3 / SW5 / SW7 / SW10 markets. He has also found buyers for our clients in the Notting Hill, Battersea and Fulham areas.

Nick is an agent who has the ability to think outside of the box at critical times and is fearless in his approach to getting the best possible results for his clients, frequently 'going the extra mile' to achieve the very best prices.

Nick has a reputation for providing best advice to his clients in a professional manner. He has a strong track record in flat and house sales in The Borough of Kensington and Chelsea, ranging from one bed flats up to family houses at £3,500,000.

## **Testimonial**

"This is to say a big thank you to Knight Frank for the successful sale of my property. Right from the opening phone call with Phil I knew that I was in the best possible hands, being guided through every stage of the process, which turned out to be very speedy, right through to the sale and at a price significantly above my initial expectations. I have nothing but praise for Knight Frank's professionalism and in particular for that displayed throughout by Nick Gaunt and Lucy Holroyd. I would most certainly mandate Knight Frank again for any future property transaction."

“Thanks for all your help with the sale of my flat. In hindsight your advice was significantly better than the other agent and I would not hesitate to use you again or recommend you to friends. Thanks again and all the best.”

“Nick Gaunt at your Chelsea office is the most attentive and efficient of the various estate agents with whom our toes and actually quite a lot of foot have been in the water. Best wishes.”

**N.S**

---

“Very good news, and has been rather painless. How would you like your commission delivered, non-sequential bank notes, bearer bonds or gold? Will definitely be down for a few bottles of baby sham on sale conclusion. Thanks.”

“Knight Frank and Nick made a very good impression on me. I would be happy to use Knight Frank in future as I thought they were very good, and couldn't think of anything they could do better.”
