Career

Knight Frank March 2011

Victoria started working in Agency in 2003 working for a large independent agency progressing quickly through the ranks. She then spent a couple of years in commercial agency managing a boutique serviced office in Knightsbridge alongside studying for her masters in surveying, before deciding on setting her career firmly in residential agency.

Joining Knight Frank in Chelsea in 2011 Victoria specialises in house sales in Chelsea, South Kensington, Belgravia and Knightsbridge. Since joining the office Victoria has established herself as an integral member of the team with clients and buyers recommending her to friends and family. Her understanding of the local market and unrivalled commitment sets her apart.

Victoria is honest and proactive and takes pride in providing her clients the best possible service.

ONE TEAM ONE GOAL

Knight Frank

“A delight to work with and went above and beyond the call of duty on a number of occasions.”

P.T

“Diligent, proactive and accommodating. A delight to work with.”

C.O

“I highly commend Victoria Garrett for her involvement in the sale of my flat. I was especially impressed by two points: 1) Victoria’s high level of service towards myself 2) Victoria’s management of the buyer. On point 1), Victoria always kept me informed in a timely manner with relevant information, was efficient and courteous in dealing with all my requests and showed empathy in understanding my objectives. On point 2) Victoria had the unenviable task of dealing with very difficult buyers who, because of their advanced age, were very slow in their response time and very exacting in their demands. Victoria handled them with ease. I would definitely use Victoria as my estate agent again and trust her implicitly.”

W.C

“Thank you very much indeed for all your help in getting the house sold. I’m very pleased with the outcome!”

A.R

“I found Victoria extremely pleasant to deal with, sensitive and direct in her approach, and very conscientious on reporting progress each day during the rather fraught final stages of completion (when the buyer’s side was delaying inexplicably). She is an excellent member of the team and an asset to Knight Frank.”
