

SERVICE THAT IS SECOND TO NONE.

Knight Frank

I would like to say how pleased we were with your professionalism and promptness in handling our transactions. Your involvement all the way to exchange was very much appreciated. It was a pleasure working with you as well as the Knight Frank team at Esher. **Mr & Mrs H, Oxshott**

We received an exceptional and professional service from Charles Davenport of Knight Frank Cobham. Charles's appreciation of our position led to viewings of only suitably qualified buyers, and his patience and professionalism ultimately resulted in us achieving a selling price considerably higher than that of the asking. Throughout the entire process, Charles was incredibly supportive, considerate and accommodating and we would highly recommend him to anyone looking for more than the average estate agent has to offer. **Mr & Mrs P, Oxshott**

A consistently high level of service from everyone in your Cobham office. **Mrs G, Effingham**

Congratulations and well done for the work by you and your team in respect of the successful sale. The project was a difficult one, with the house hitting the market just in time for chaos to ensue. I appreciate the efforts made by your and your team to find us a suitable buyer. It has been a pleasure working with you and I without doubt would not hesitate to work with you again on future projects. **Mr R, East Horsley**

Thank you for your professional and attentive service provided for the sale of a much loved Grade II listed building. We would highly recommend Knight Frank for anyone looking to sell a rare or unusual dwelling! **Mr & Mrs B, Wisley**

I want to take this opportunity to thank you for the excellent job you carried out in relation to our sale. I appreciate your willingness to become involved from the earliest stages of the planning right through to the completion of the project. Your advice was invaluable, I benefitted from your professionalism, expertise and incorporated many of your ideas into my building plan. Following your excellent contribution through the building phase I was delighted to make you the Sole Agents. Yet again you lived up to your reputation by only showing appropriate potential buyers, you then secured the sale at a very acceptable price within two weeks of the house coming onto the market! Sincere thanks for all of your excellent work on my behalf. **Mr N, Effingham**
