Your professionalism and expertise as you guided us through the sale was much appreciated. ## Knight Frank

Thank you so much for all your invaluable help in selling the flat on Crookham Road. You were proactive with the marketing and most effective in sorting all the various hiccups and hurdles that occurred along the way. We are most appreciative and couldn't have been in better hands.

**Mr & Mrs H, Crookham Road**

Thank you very much for all you and your team's efforts over the last couple of weeks. Changing to Knight Frank not only brought us a great buyer, but a much needed lift in confidence after being messed around for far too long. We will not hesitate in recommending you to other friends should they choose to sell.

**A.D, Lilyville Road**

Ms. Soutry's approach to her responsibilities in representing us has been of the highest professional standards. The entire transaction has gone smoothly and pleasurably. We can unreservedly recommend Ms. Soutry and Knight Frank LLP to anyone seeking an Estate Agent. We have already unreservedly recommended Ms. Soutry and Knight Frank LLP to a friend who is planning to sell her property.

**Dr. & Mrs VP, Rivermead Court**

You will be glad and it will make you proud to hear that Bruno and I think you are the best team ever and Knight Frank is the best company to deal with. Along the years I have bought and sold many houses, but compared to the way other companies negotiate and behave, Bruno and I have discussed you are the Rolls Royce of them all.

**Marquesa de Varela, Moore Park Road**

Anne has an incredible knowledge of the local area which was really helpful on so many occasions. We feel extremely fortunate to have appointed Anne to help with the sale and purchases and would have no hesitation in recommending her to our friends.

**Mrs H, Rivermead Court**

I just wanted to say thank you very much for having sold the house in Fulham on our behalf. Knight Frank were extremely professional in their dealings with us and displayed a flexible and positive outlook to the sale at all times. Thanks to your effective online and brochure marketing we had 50 viewings in a short period of time, which was remarkable. We will definitely recommend Knight Frank to our friends and hope to do business again with Knight Frank when we purchase our next residence.

**Knight Frank**

I feel compelled to write to you following the exemplary service I have been lucky enough to experience during the process of selling my flat. Glynn Gibb has been absolutely superb at every single step of the way. Knight Frank was the only agent I actually met with as I was so impressed from the start – I felt I would be in safe and honest hands thanks to Glynn's very candid and unbiased initial assessment of my options regarding selling or letting.

**Ms K.M, Harbledown Road**

The team at Knight Frank in Fulham were fantastic, and we managed to achieve a realistic price that I was happy with at a time when the market was a bit uncertain. Thank you very much indeed, especially Glynn, who dealt with viewers and negotiated the sale successfully. I felt confident from the start that I had picked the right agency, and everyone in the office was always helpful and friendly.

**Ms S, Parkview Court**

I am writing to say how much my family enjoyed the 'Knight Frank experience' whilst selling our house in Narborough Street recently. Moving house can be a very stressful experience and all the 'beyond the call of duty' friendly, thoughtful and courteous service we received from your team, was unexpected, delightful and made the whole experience better than I could have imagined. I would have no hesitation in recommending your company – indeed I already have.

**Mrs S, Narborough Street**

Your support was wonderful, your skills without question exceptional, and you achieved what we hoped for in a miraculously short time. I am so completely happy that I listened to my instincts and went with Knight Frank, because I knew when I met Anne that you "got" the house in a way that no other agent did, and that you would (and as it turned out did) fight terrier-like on my behalf. I would recommend you as an agent to anyone who asked. You are simply the best, and I mean that with complete sincerity.

**JWK, Winchendon Road**

I'd just like to say that the staff at Knight Frank were exceptionally professional and helpful throughout the sale of our house. I would recommend them to anyone in the Fulham area with a property to sell.

**Mr & Mrs W, Oxberry Avenue**

Thank you for handling our sale. You have over delivered from the outset and made the whole process a lot less stressful than any of our previous house moves. In addition, you managed to achieve nearly 10% more than other agents' valuations and within a week of being instructed.

Thank you for sticking with us and remaining so calm throughout the process. I definitely felt at one point you were the only person who could save the transaction - and that you did with aplomb!

**Mrs H, Landridge Road**

A huge thank you to you and all the staff at Knight Frank for your help and assistance in selling the above property. In my opinion the professionalism and courtesy shown by you all was second to none and I would have no hesitation in recommending your services to others.
