

ABERDEEN

Knight Frank offers a comprehensive range of residential and commercial property services to respond to the needs of property owners, buyers, tenants and developers across Scotland.

With 330 offices in 48 countries, across six continents, Knight Frank is a global property consultancy, employing the brightest people to deliver the very highest levels of service.

PLANNING

The planning and development team advises on all aspects of planning across a wide range of property and business sectors; residential, industrial, office, retail, economic development and environmental.

Through activity such as strategic policy advice, preparation of development bids and proposals, master planning, processing agreements, public consultation, major project design and implementation we aim to provide a clear and successful route through the planning process for our clients.

BUILDING CONSULTANCY

The building consultancy team provides specialist knowledge regarding design, construction and maintenance of properties across all commercial sectors.

We have an established team providing space planning, architectural design and project management of new build and refurbishment projects, acting for both developers and occupiers. We also specialise in Project Monitoring of new build developments

for Occupiers and Funders. The following range of traditional building surveying services are also provided to owners and occupiers of property:

- Dilapidations Advice
- Building Surveys
- Schedules of Condition
- Insurance Reinstatement Valuations
- Energy Performance Certificates (EPC's)

AGENCY & DEVELOPMENT

The agency and development team advises a wide range of private and public sector clients in all aspects of leasing, selling and acquiring commercial property, focusing primarily on offices, industrial and development land.

We also provide development and investment advice and have specialist knowledge in contaminated land.

Liaison with our local professional, building consultancy and planning departments ensures that our agency clients benefit from advice on all property aspects as a "one stop shop."

VALUATION & LEASE ADVISORY

The valuation and lease advisory department provide a range of valuation, lease advisory, rating, as well as professional consultancy services to both private and public sector clients.

The majority of banks include Knight Frank as one of their panel valuers.

We have knowledge and expertise across the majority of property sectors, including: office, industrial, retail, residential developments and healthcare.

We aim to provide definitive expert advice to clients utilising our longstanding knowledge and skills to maximise client benefit.
