A formidable force

Clients choose us because ...

We are one globally
connected team

Together with our partner, Berkadia, we provide integrated real estate advisory and finance services across all key hubs.

We hold the best
data and analysis

Data is key. We continually innovate and invest in data to provide the most reliable intelligence, analysis and underwriting.

We have unparalleled
access to capital

Our unique access to institutional capital and private wealth, offers the most diverse & attractive capital solutions.

We always put
clients first

With us, it's personal. We partner with you for the long-term. We have the freedom to put clients first.

Knight Frank Capital Advisory

We provide integrated capital structuring and sourcing services for investors across the globe. The FCA regulated work as a combined unit to allow for a holistic understanding of all aspects of funding.

Debt Advisory

Strategic advice and analysis to ensure optimum financing terms are obtained. The team has established relationships with 300+ active lenders, across the capital stack.

Equity Advisory

We offer bespoke structuring advice across a broad range of equity raising requirements. We offer connections to global capital, with a contact base of 750+ equity investors and unparalleled access to private capital.

Financial Modelling

The team has extensive experience in preparing detailed financial models and data-analysis. We also provide bespoke interactive dashboards enabling clients to drill down into the underlying data.

One global team, one platform – no silos

	Real Estate Brokers	KNIGHT FRANK	Real Estate Investment Banks
Company ownership	<ul style="list-style-type: none"> Publicly listed or PE-owned ! External shareholders agenda 	<ul style="list-style-type: none"> ✓ Private partnership with NO external shareholders or debt 	<ul style="list-style-type: none"> Publicly listed or PE-owned ! External shareholders agenda
Team structure	<ul style="list-style-type: none"> ! Country silos disincentivized to working together ! Separate P&Ls and complex fee share 	<ul style="list-style-type: none"> ✓ One global living team with no silos, incentivized to work together 	<ul style="list-style-type: none"> Lean, asset-specific deal teams, usually covering countries from London-HQ Country offices with generalist teams
Underwriting	<ul style="list-style-type: none"> Ability to underwrite asset and portfolios, supported by local database – no company-wide integration 	<ul style="list-style-type: none"> ✓ Ability to underwrite asset and portfolios, supported by rich operational databases 	<ul style="list-style-type: none"> ! Asset-level underwriting limited – focus on sizeable portfolios and TopCo EBITDA
Real estate knowledge	<ul style="list-style-type: none"> ✓ Strong, underpinned by in-house research and brokerage teams 	<ul style="list-style-type: none"> ✓ Underpinned by in-house research and brokerage teams 	<ul style="list-style-type: none"> ! Limited with no on-the-ground real estate expertise
Capital access	<ul style="list-style-type: none"> Good access globally but limited due to prevalent silo structures 	<ul style="list-style-type: none"> ✓ Integrated network with deep access to local capital pools in Americas, EMEA and APAC 	<ul style="list-style-type: none"> Main access to sizeable LPs with limited global real estate networks
Debt coverage	<ul style="list-style-type: none"> ! Growing but limited further by in-house silos and complex fee-share structure 	<ul style="list-style-type: none"> ✓ In-house debt team working in parallel 	<ul style="list-style-type: none"> In-house teams, but tend to be generalists with lack of real estate comprehension

Insights backed by data

We believe data is key.

That's why our team are at the forefront to help our clients make the most informed strategic decisions.

Alongside our unparalleled access to data, we are the key market commentators, providing the [highest quality, forward-thinking insights](#).

The consultancy work carried out for our clients spans the full suite of living sector asset classes. We have provided impartial, bespoke research to all major financial institutions, developers and public sector bodies active in the sector.
